Type-C Charging Cable

Replaceable Tip

## ◀ Charging Guide

To charge the pen, connect the Micro-USB cable to the charging port on the pen and plug the other end into your charging device. The indicator light will turn red while charging and will change to green when fully charged.

## ◀ Usage Guide

1. To activate the pencil, press the power button.
2. A blue indicator light will confirm that the pencil is on.
3. Press the power button again to turn it off.

**NOTE:** If no action is taken within 5 minutes, the pencil will automatically power down to conserve energy.

## ◀ Troubleshooting

1. This pencil does not have Bluetooth functionality and does not require any app or Bluetooth pairing.
2. If the pen does not recognize touch input, check device compatibility or restart the device.

**3.** Disabling Bluetooth on your device may help resolve any conflicts with the pencil.

## Safety Precautions

1. Disassembling, repairing, or modifying the pencil voids the warranty and may pose a risk to both the user and the device.
2. Avoid exposing the pencil to extreme temperatures or moisture during operation or charging.
3. Do not leave the pencil connected to power after charging is complete, as this may impair battery lifespan.
4. Keep the pencil and its components out of the reach of children to prevent choking hazards.

## FCC Statement

**1.** This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

**(1)** This device may not cause harmful interference; and

**(2)** This device must accept any interference received, including interference that may cause undesired operation.

**2.** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful

interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for assistance.

**RF warning statement:**

The device has been evaluated to meet general RF exposure requirements.

The device can be used in portable exposure conditions without restriction.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.porodo.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
