Porodo Gaming

8-Fan Ergonomic
LAPTOP COOLING STAND

SKU: PDXF5CPBK

Table of Contents

Product Overview

The Porodo Gaming 8-Fan Ergonomic Laptop Cooling Stand is a high-performance accessory designed to enhance your laptop's cooling and usability. It features eight high-speed fans that ensure efficient heat dissipation, keeping your device cool during intense gaming or heavy workloads. With seven adjustable tilt angles, it offers ergonomic comfort for extended use. The stand includes dual USB-A ports for added connectivity, an anti-slip design for stability, and a built-in phone slot for convenient device access. Compatible with most laptops, it combines practicality and performance for gamers and professionals alike.

Product Sections

A. Iron mesh surface
B. Anti-slip support
C. On/Off switch
D. USB-A Port
E. Phone Holder Storage
F. Adjustable bracket
G. Angle Adjustment Slots
H. Detachable phone holder

Packing List

1. Laptop Cooler (CLR-LP01BLK) × 1
2. USB-A to USB-A Cable × 1

Setup Guide

1. Place the Laptop Cooler on a flat surface.
2. Position laptop centrally on the iron mesh surface, and tailor the angle for optimal comfort and ergonomics, reducing fatigue.
3. Power Connection:
a) Direct Wall Adapter Connection:
Connect the Laptop Cooler's USB-A port to a 5V USB power adapter (not included).
b) For USB-A Equipped Laptops:
Plug the USB-A connector of the supplied USB-A cable into the USB-A port on the Laptop Cooler.
Connect the other end of the cable into an available laptop's USB-A port.
c) For USB-C Equipped Laptops:
Plug the USB-A connector of the supplied USB-A cable into the USB-A port on the Laptop Cooler.
Connect the other end of the cable into the USB-A port on a docking station (not included).
4. Slide the Slide Dial button to select desired fan speed.

Safety Precautions

1. Use the Laptop Cooler responsibly.

2. Unplug the Laptop Cooler when not in use.

3. Keep out of reach of children.

4. Avoid exposure to water, fire, high temperatures, or damp areas.

5. For indoor use only, at altitudes below 2000 meters and in non-tropical climates.

6. Do not disassemble the Laptop Cooler.

7. Do not cover the Laptop Cooler (e.g., with pillows or blankets).

8. Avoid using the Laptop Cooler with devices that exceed the output range, as this may cause electric shock, burns, or damage.

Cleaning and Maintenance

1. Always unplug the Laptop Cooler before cleaning or performing maintenance.

2. Gently wipe the surface with a soft, slightly damp cloth.

3. Avoid using harsh or abrasive cleaning agents, which may damage the surface finish.

4. Keep the Laptop Cooler away from direct sunlight or high temperatures for prolonged periods.

5. Do not store the Laptop Cooler in temperatures exceeding 140°F (60°C).

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
