Product Overview

The Porodo 4-in-1 MagSafe Power Bank Dock is a versatile charging solution designed to power up multiple devices simultaneously. Featuring a detachable 5000mAh PD20W MagSafe power bank, this product offers 10W wireless charging for your phone, 5W wireless charging for your earbuds, and a 2W output for your watch. The power bank can be conveniently recharged while in use thanks to its pass-through technology. The charging dock is equipped with a USB-A output, enabling the charging of additional devices, while its sleek design allows you to charge your phone, watch, and earbuds all in one place. The charging stand supports fast charging with a USB-C input of 27W and includes a magnetic wireless charging pad for efficient power transfer. Designed for modern users, this dock ensures an organized and reliable charging experience for various Apple devices.

Specifications

USB-C PD Output	20W 5V/2.4A, 9V/2.22A, 12V/1.5A
Wireless Output	5W/7.5W/10W

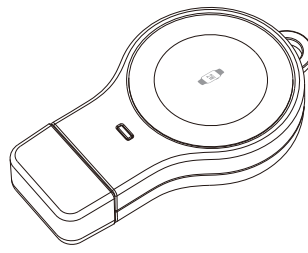

Safety Precautions

- 1. Use Certified Cables and Adapters:** Always use certified cables and adapters to avoid potential hazards or damage to the device.
- 2. Keep Dry:** Ensure the power bank dock and all connected devices remain dry at all times. Do not use it in wet or humid environments.
- 3. Proper Ventilation:** Make sure the dock has adequate ventilation to prevent overheating during charging.
- 4. Avoid Overcharging:** Do not leave devices plugged into the power bank for extended periods after they are fully charged.
- 5. Monitor Temperature:** If the device becomes excessively hot during use, unplug it immediately and allow it to cool down before using it again.
- 6. Handle with Care:** Keep the device away from sharp objects and extreme forces to avoid damaging the dock or its components.
- 7. Keep Out of Reach of Children:** Ensure that children do not have access to the power bank dock to avoid accidents or misuse.
- 8. Unplug After Use:** When not in use, unplug the power bank dock to prevent unnecessary wear or overheating.

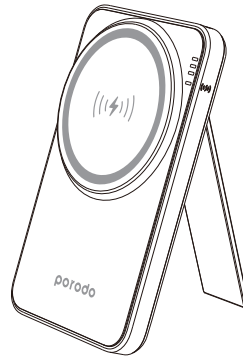

Package Contents

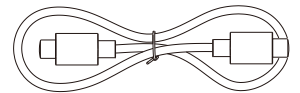

Wireless Charging Dock x1

Apple Watch Charger x1

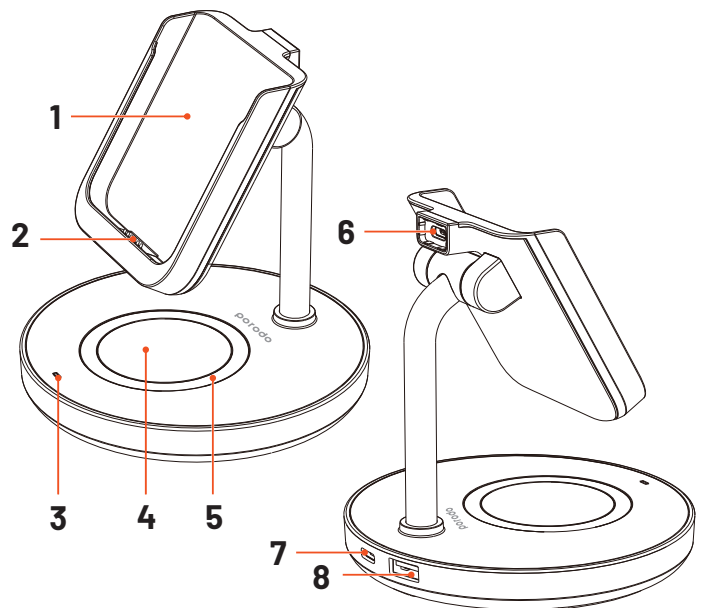

Power Bank x1

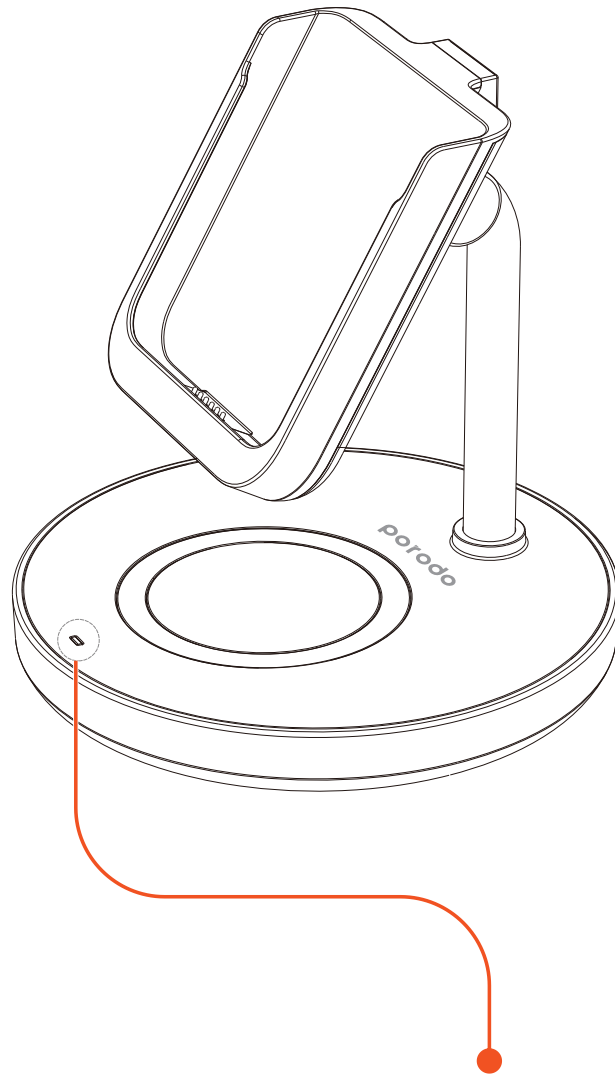

USB-C Cable x1

3. Wireless Charging Status Indicator
4. Pass-through charging via Type-C Input/Output
5. Heat Dissipation Hole
6. Switch
7. Foldable & Adjustable Aluminum Stand (0-180°)
8. Copper Sheet for the Charging Dock

Power Bank LED Indicators

Fully Charged	Green LED stays on
Low Battery	The 1st LED flashes
Charging the Power Bank	Green LED flashes

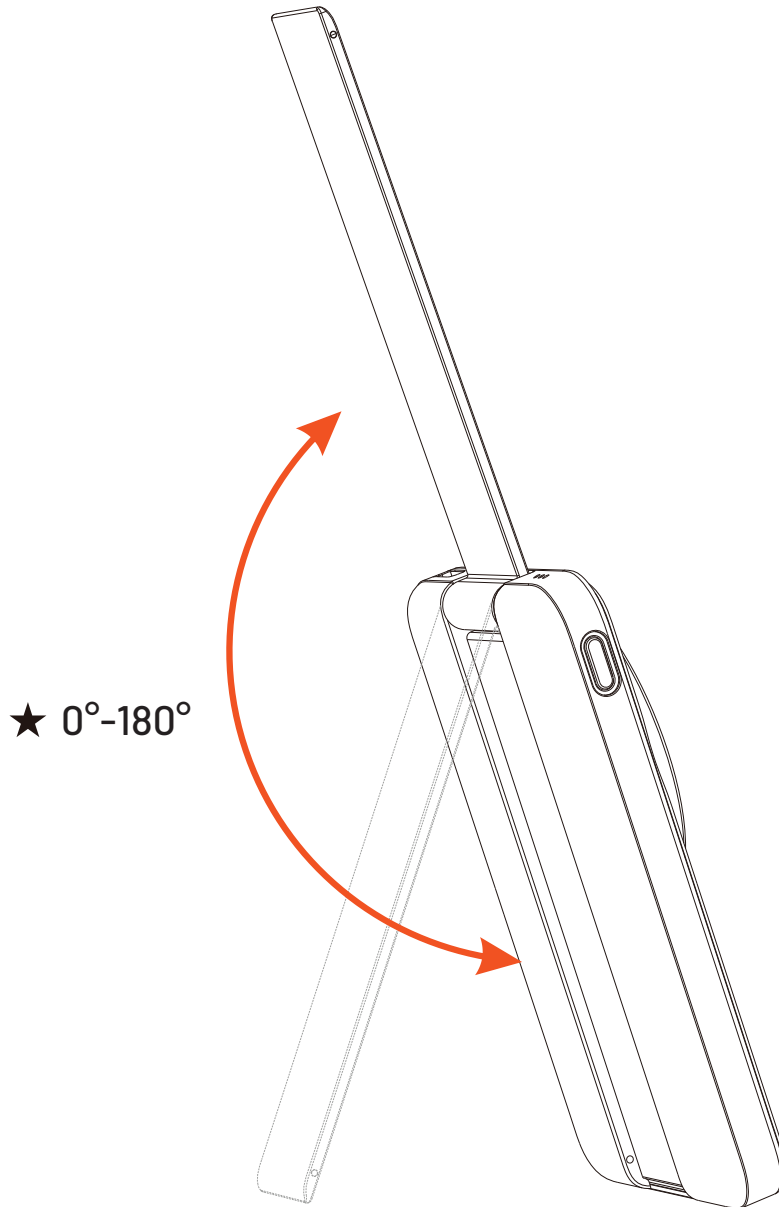

Power Bank Stand

This power bank features a versatile stand, not only allowing angle adjustments but also folding flat for convenient travel. You can adjust the stand's angle from 0° to 180° to suit your needs.

When you're not charging, use the stand as a simple MagSafe holder to support your phone, either horizontally or vertically. To activate this, simply press the switch twice.

Note: Certain vibrations may restart the charging process.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
