Product Overview

The Porodo 120W Car Charger Hub is a powerful and versatile multi-charging station designed to keep all your devices powered on the road. Equipped with triple-port lighter sockets, it provides convenient access for multiple in-car devices simultaneously, while the real-time voltage display ensures accurate monitoring of your car's battery status. With a total power output of 120W, it supports fast charging through both PD 35W USB-C and QC 18W USB-A ports, allowing you to charge smartphones, tablets, and other gadgets efficiently. The independent power switches for each lighter socket enhance control and safety, letting you manage connected devices easily. Built with a 95cm cable length, it offers flexibility in placement for front or back seat passengers. Compact, durable, and reliable, this Porodo Car Charger Hub is the ultimate travel companion for drivers who value performance, organization, and convenience.

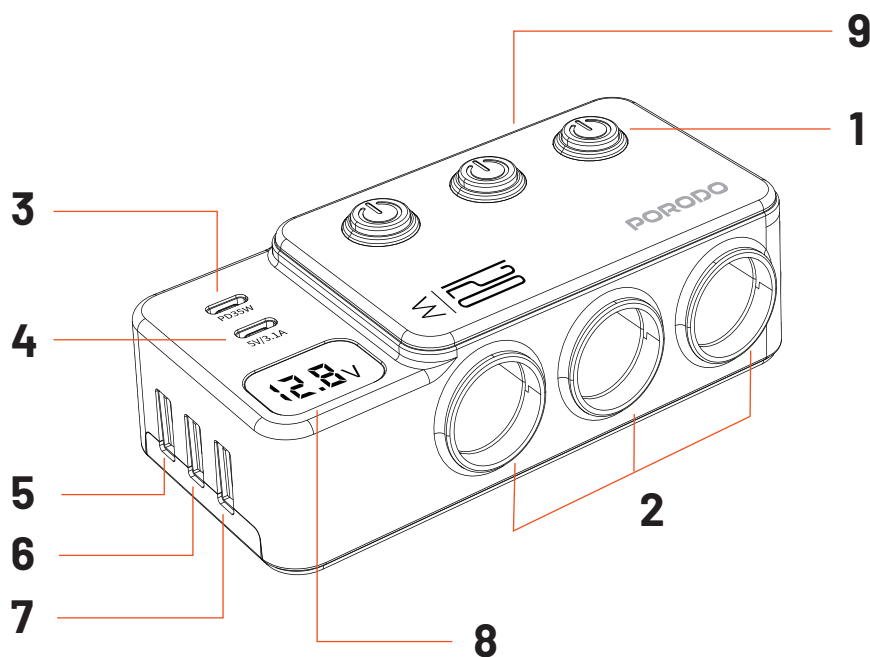

Specifications

USB-C1 Output	5V/3A, 9V/3A, 12V/2.9A, 15V/2.33A, 20V/1.75A, 35W Max
USB-C2 Output	5V/3.6A, 18W Max
USB-A2/A3 Output	5V/3.6A, 18W Max
Total Output	120W Max

Cord Length	95cm
Material	Aluminum Alloy
Product Size	40.3 x 67.9 x 129mm
Model Number	FWC070
Sharing Output	
USB-C1+C2+A1+A2+A3	18W (C1+A1) + 18W (C2+A2+A3)
USB-A1 Output	5V/3A, 9V/2A, 12V/1.5A, 18W Max

Product Design

1. Independent Switch
2. Cigarette Lighter
3. USB- C1 Port (35W)
4. USB-C2 Port
5. USB-A1 Port (QC3.0)
6. USB-A2 Port
7. USB-A3 Port
8. Digital LED Display
9. Main Switch

Operation Instructions

1. Insert the car charger plug into the car's cigarette lighter socket.
2. Once the product is powered on, the indicator light will turn on.
3. Connect your mobile phone, MP3, or other USB devices using a USB charging cable to the car charger adapter for use.

Safety Precautions

1. **Avoid Overload:** Ensure the equipment is only used with devices that meet the specified output parameters to prevent the risk of fire or explosion. The working power of each socket should not exceed 120W, and the total working power should not exceed 120W.
2. **Supervise Children:** Keep the product out of reach of children, or ensure they use it under adult supervision to avoid accidents.
3. **Proper Storage Conditions:** Store the product in a cool, dry place. Avoid exposure to high temperatures and humidity to ensure longevity and prevent potential damage.
4. **Temperature Limit:** Use the product within the recommended temperature range. Do not exceed 60°C in operating conditions, as overheating may lead to damage.
5. **Handling and Disposal:** Do not attempt to disassemble the product. If you no longer need the item, please dispose of it in accordance with local recycling and waste disposal guidelines.
6. **Unplug When Not in Use:** Always unplug the product when it is not in use for extended periods to prevent unnecessary energy consumption and reduce potential risks.
7. **Check for Damage:** Regularly inspect the product for any signs of wear or damage. Do not use the product if it is damaged to avoid safety hazards.

8. Avoid Water Exposure: Keep the product away from water or moisture to prevent electrical hazards and product malfunction.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
