## Product Overview

The Porodo 5Gbps USB Hub Universal Travel Adapter is a versatile and compact solution for global travelers. Featuring a 65W GaN charger, it supports multiple devices simultaneously with a combination of one USB-A port and three USB-C ports. Its universal plug design ensures compatibility with various electrical outlets around the world, making it an ideal choice for those who need to charge devices while on the go. With a sleek, black finish and advanced GaN technology, the adapter delivers efficient power in a small form factor, capable of charging laptops, smartphones, and other gadgets quickly and safely.

## Specifications

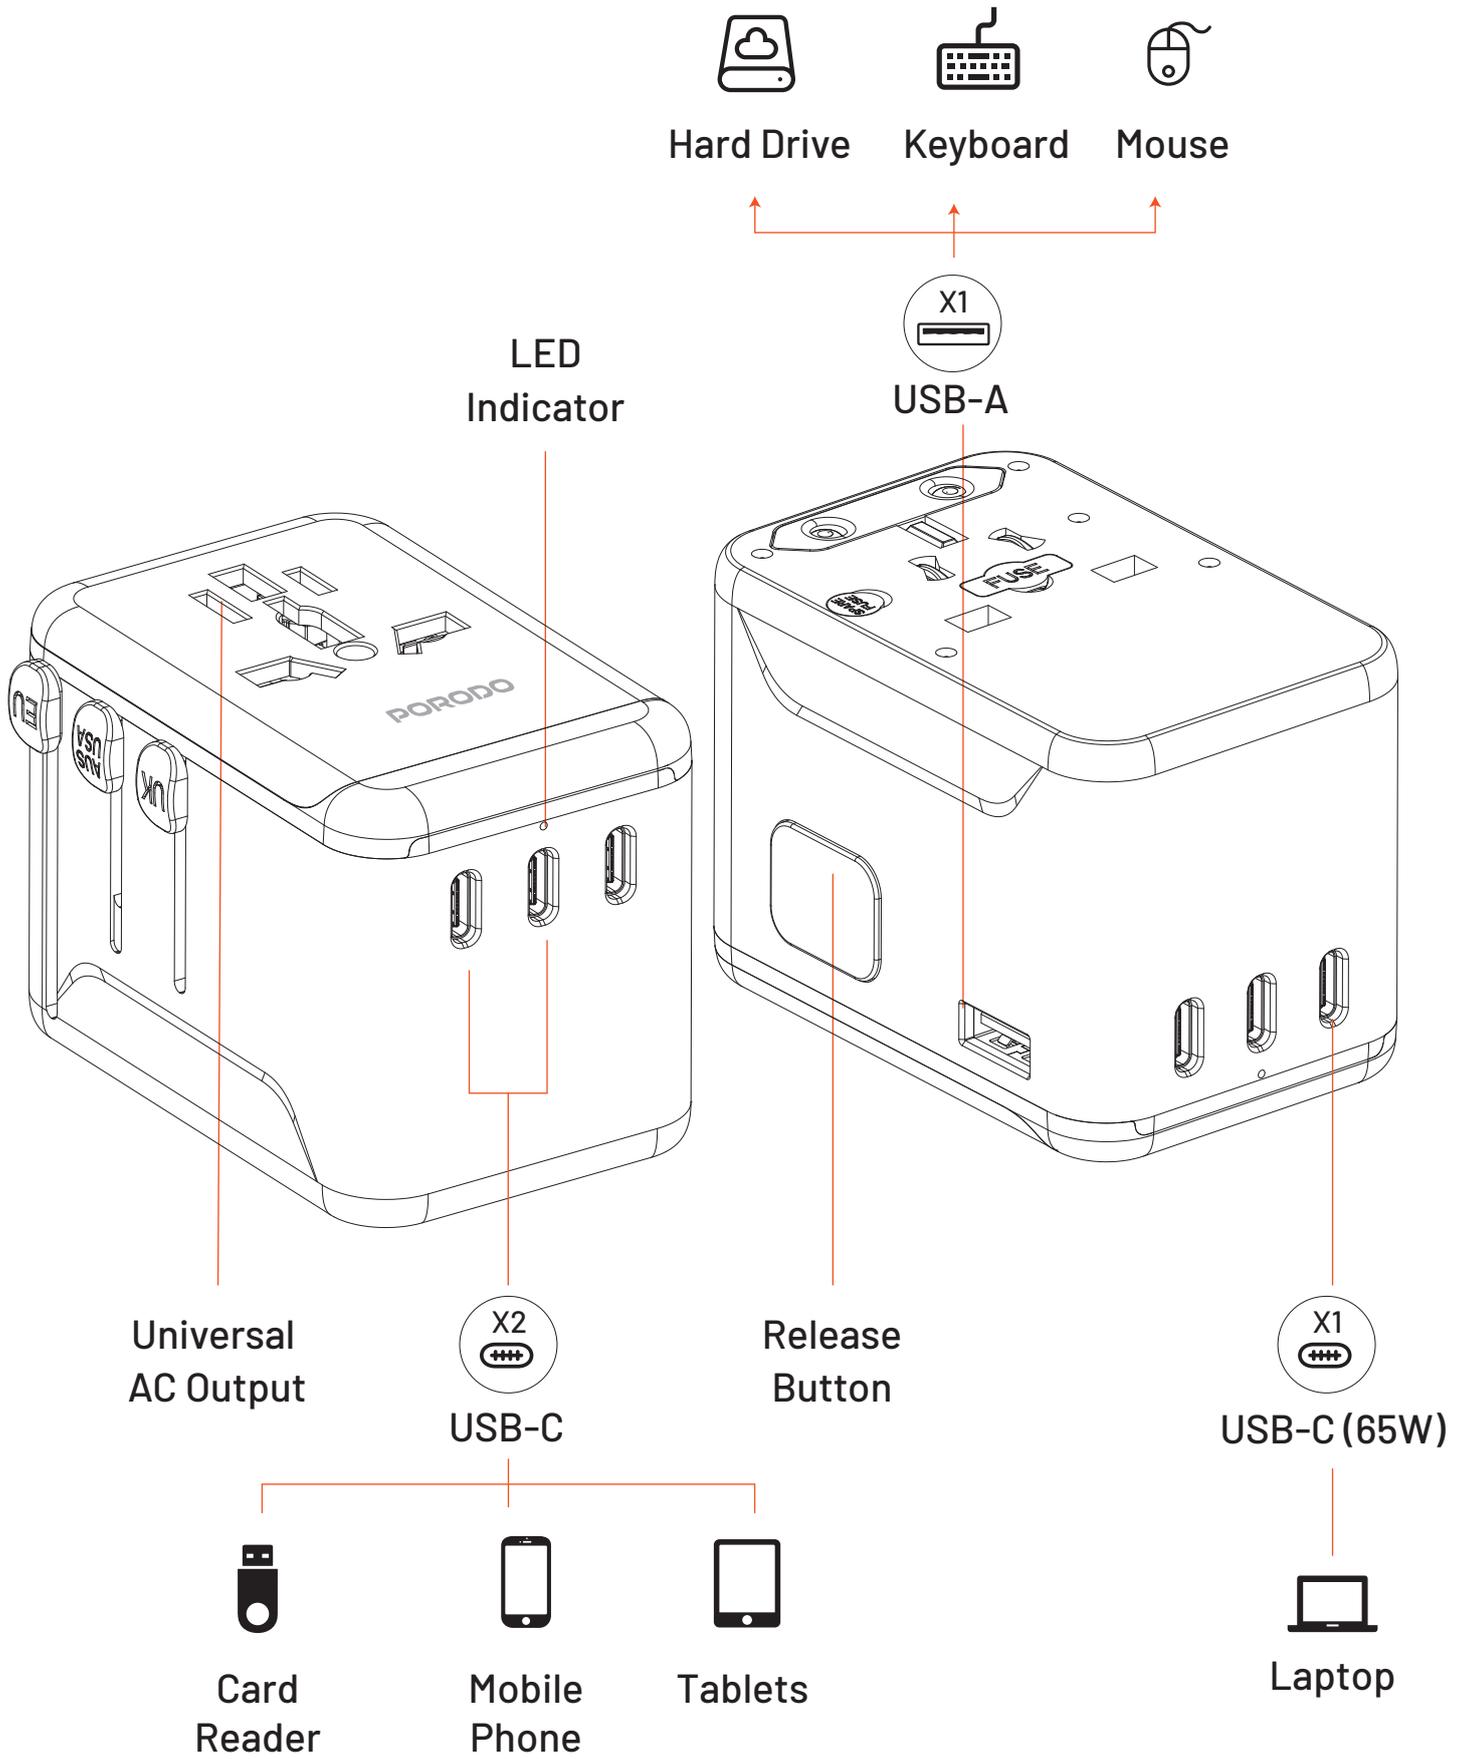

Input	100-250V ~ 50/60Hz, 10A Max
Rated Power	1000W at 100V, 2500W at 250V
Fuse Rating	10A Max (Spare Fuse Included)
USB Hub Transfer Speed	USB-C1 :5Gbps, USB-C2/C3 ,480Mbps, USB-A: 5Gbps
USB-C1 Output	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A, 65W Max
USB-C2/C3 Output	5V/0.5A, 2.5W Max
USB-A Output	5V/1A, 5W Max
Supported Plugs	EU, UK, USA, AUS

Product Size	56 x 55.2 x 77mm
Net Weight	231.3g
Model Number	FWC091

## **Product Features**

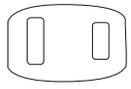

- 1.** GaN technology for fast and efficient charging
- 2.** Universal plug compatibility for use in different countries
- 3.** data transfer rate of 5Gbps for quick file sharing through USB ports
- 4.** One USB-A port and three USB-C ports for charging multiple devices simultaneously
- 5.** Compact and portable design, perfect for travel
- 6.** Durable and sleek black finish
- 7.** Overcurrent, overvoltage, and short-circuit protection for safe charging
- 8.** Ideal for charging laptops, smartphones, tablets, and other USB-powered devices

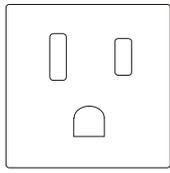

# Plug Compatibility

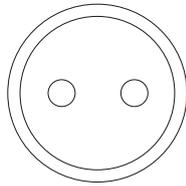

Can plug into type A, B, C, D, E, F, G, H, I, J, K, L outlets.

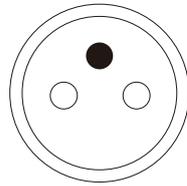

Type A

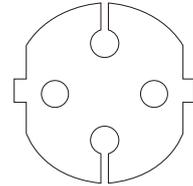

Type B

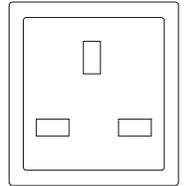

Type C

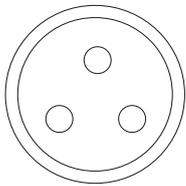

Type E

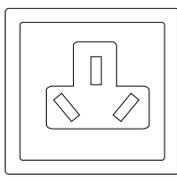

Type F

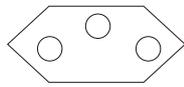

Type G

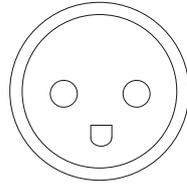

Type H

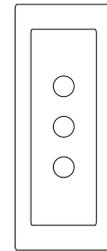

Type I

Type J

Type K

Type L

# Compatible Devices

Electric Fan

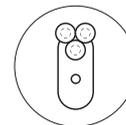

Hair Straightener

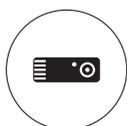

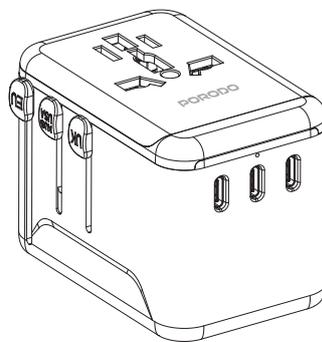

Kettle

Small travel hair dryers

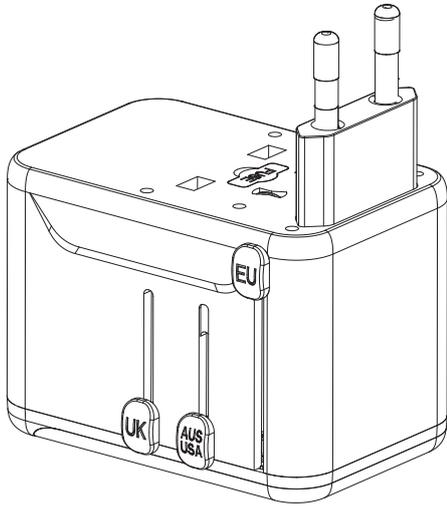

Electric Razor

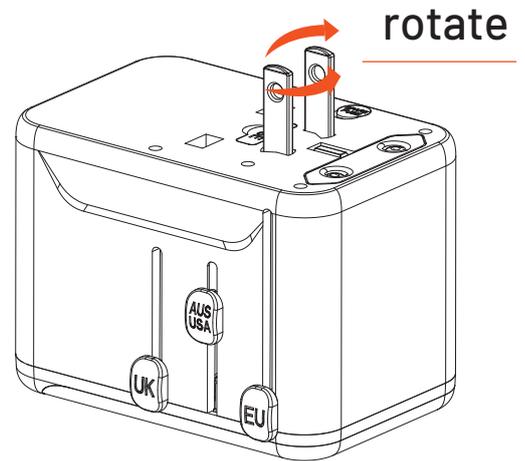

**NOTE:** This product may not work with certain high power appliances such as hair dryers more than 2500W.

## Compatible Countries and Regions

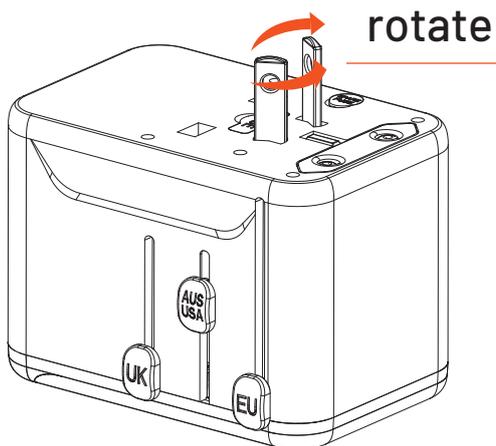

### EU PLUG/TYPE C

Germany, Denmark, France, Finland, Norway, etc.

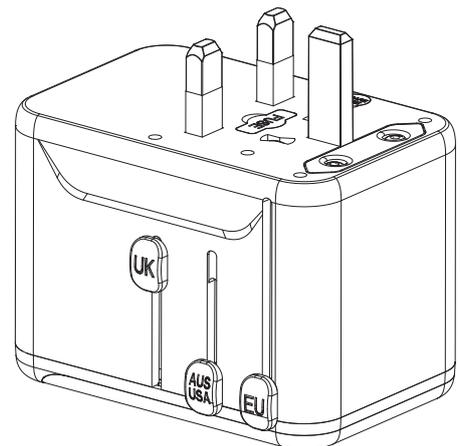

### US PLUG/ TYPE A

USA, China, Japan, Panama, Mexico, Philippines, etc.

### AUS PLUG/TYPE I

China, Australia, New Zealand, Argentina, Fiji, etc.

### UK PLUG/TYPE G

UK, Singapore, Malaysia, Maldives, Myanmar, etc.

# Replacing the Fuse

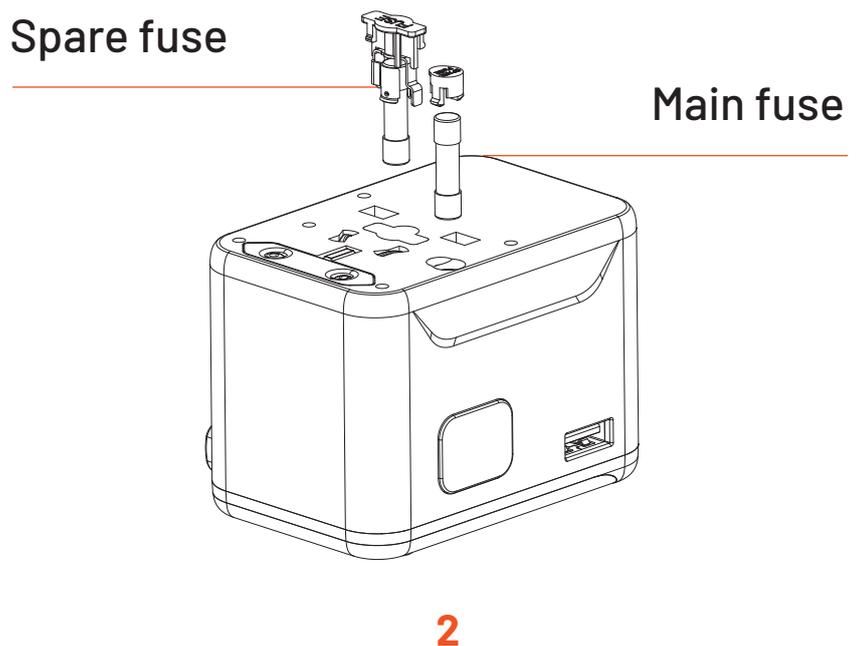

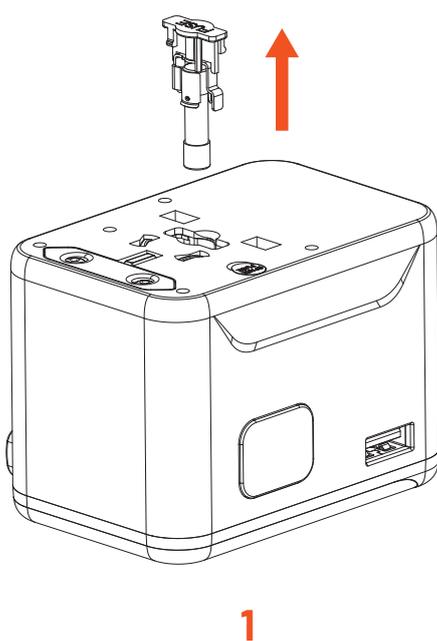

## 1. When to Replace the Fuse:

- a. If the travel adapter is used with high-power devices that exceed the standard, the fuse may blow.
- b. In such cases, a new main fuse needs to be installed.
- c. A tool, like a screwdriver or similar, should be used to pry open the main fuse cover.

## 2. Steps to Replace the Fuse:

- a. The main fuse can be removed with the fuse cover.
- b. At the same time, carefully pry open the spare fuse cover.
- c. Install the spare fuse into the main fuse slot and ensure it is securely fitted in its original position.

Important: This adapter does not convert voltage. To use an AC-powered electric device abroad, ensure it supports dual voltage (with "100-250V, 50/60Hz" printed on it).

## Safety precautions

- 1. Voltage Compatibility:** Ensure the power outlet you use provides the correct voltage for your device to avoid potential damage or safety hazards.
- 2. Country-Specific Regulations:** Different countries have specific regulations for travel adapters. Verify the requirements of your destination before use.
- 3. No Grounding:** This adapter is designed for use with unearthed or double-insulated appliances only.
- 4. Global Compatibility:** It supports more than 180 countries, with plug configurations for US, AUS, EU, and UK.
- 5. Safety Shutters:** Built-in safety shutters protect users from direct contact with live parts of the outlet.
- 6. Single Plug Use:** Only one plug type can be used at a time. Other plug pins are automatically locked for safety.

## FCC Statement

**1.** This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1)** This device may not cause harmful interference; and
- (2)** This device must accept any interference received, including interference that may cause undesired operation.

**2.** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful

interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for assistance.

RF warning statement:

The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure conditions without restriction.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
