Product Overview

The Porodo FluxMix 350mL Stirring Cup with Speaker is a sleek, innovative cup designed for those who value both functionality and style. Featuring instant auto stirring with a magnetic stirring pod, it ensures perfectly blended beverages every time. The cup also integrates a built-in speaker, allowing for wireless audio streaming while you enjoy your drink. Its smart touch control enables easy operation, and the LED display provides real-time temperature readings. With a USB-C charging port for efficient recharging and non-slip stability to keep it securely in place, the stainless steel design guarantees durability and reliability. The Porodo FluxMix is the perfect combination of practicality and modern technology, elevating your daily routine.

Battery Life	200 Cycles (Blender), 2h (Speaker)
Charging Time	2h

Material	304 Food-Grade Stainless Steel
Product Size	75 x 75 x 193mm
Net Weight	291g
Model Number	PDLFST198

Product Features

- 1. Instant Auto Stirring:** The Porodo FluxMix 350mL Stirring Cup features automatic stirring functionality that ensures your beverages are perfectly mixed every time. Whether it's coffee, tea, or a protein shake, the cup's advanced stirring mechanism effortlessly blends your drink without any manual effort.
- 2. Magnetic Stirring Pod:** The cup utilizes a magnetic stirring pod that works seamlessly to keep your drinks smooth and well-mixed. The magnetic system ensures that the stirring process is quick, efficient, and effective, providing consistent results with every use.
- 3. Built-in Wireless Speaker:** Enjoy your favorite tunes while sipping your drink with the FluxMix's integrated wireless speaker. Whether you're at home or on the go, you can stream audio directly from your phone or device, adding an extra layer of convenience and fun to your daily routine.
- 4. Smart Touch Control:** The Porodo FluxMix comes with an intuitive touch control system that allows you to easily operate the cup. With a simple tap, you can start or stop the stirring process, adjust the settings, or monitor the temperature, making it incredibly user-friendly.
- 5. Real-Time Temperature Display with LED Screen:** Stay informed about your beverage's temperature with the built-in LED display. The display shows the

real-time temperature of your drink, so you can enjoy it at the perfect warmth or chill, whether you're having a hot coffee or a cold smoothie.

6. USB-C Charging Port: The FluxMix features a USB-C charging port, providing a fast and efficient way to recharge the cup. This modern charging option ensures you can power up quickly and get back to enjoying your beverages without long wait times.

7. Non-Slip Stability: Designed for stability, the FluxMix has a non-slip base that keeps the cup securely in place, whether it's on your desk, kitchen counter, or nightstand. You won't have to worry about accidental spills or movement while using it.

8. Durable Stainless Steel Construction: The Porodo FluxMix is built with high-quality stainless steel, making it both durable and resistant to wear and tear. The sleek design ensures it's not only functional but also aesthetically pleasing, while the materials used guarantee long-lasting performance for everyday use.

Safety Precautions

1. Keep out of reach of children. The stirring cup contains a stirrer that should not be operated by children to prevent accidental ingestion of parts or burns from hot liquids.

2. This product should not be used by individuals with physical, visual, or mental impairments (including children) unless supervised by a responsible adult.

3. Do not immerse the product in water. Clean the exterior with a damp cloth, and rinse the liner and cup lid with water.

4. Avoid pouring food into the cup while the stirrer is rotating.

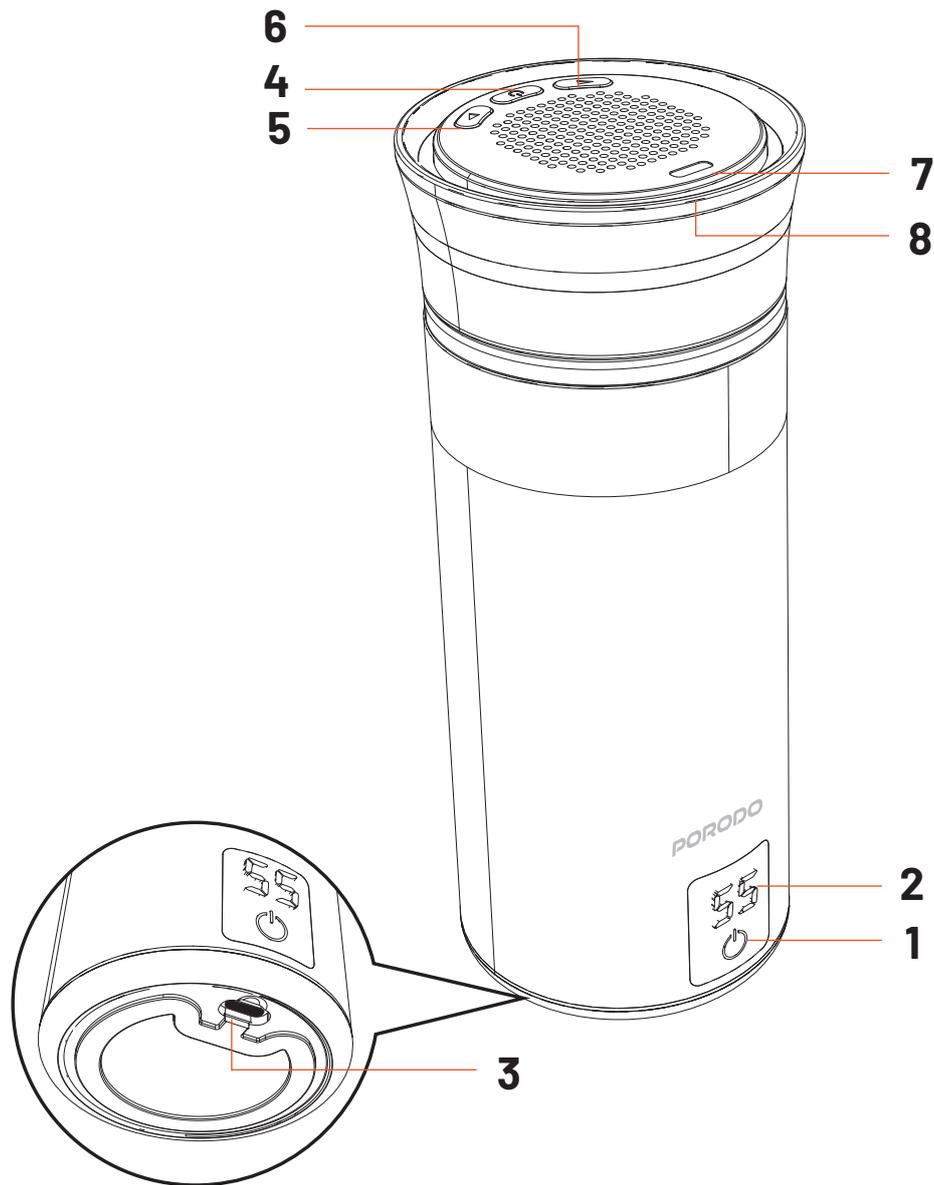

5. Do not place the product directly on fire or near heat sources, as this could cause damage or malfunction, and may pose a safety risk.

6. Use this product only for its intended purpose.

- 7.** Do not exceed a maximum use temperature of 100°C; always drink at an appropriate temperature.
- 8.** The Bluetooth speaker is not waterproof; avoid exposing it to water to prevent damage and malfunction.
- 9.** After unpacking, immediately dispose of the plastic bag to avoid choking hazards, especially for children.
- 10.** Clean the product before first use.
- 11.** To activate and maintain battery performance, charge the product before its initial use.
- 12.** Avoid Fire and Heat: Keep the product away from fire sources and high-temperature environments to prevent damage.
- 13.** Cleaning Instructions: Do not soak the product in water for cleaning to avoid damaging the internal circuits.
- 14.** Not for Extreme Conditions: The product is unsuitable for freezing, dishwashing, or heating in a microwave.
- 15.** Use with Water: Never use or stir the product without water to prevent potential damage.

Operation Instructions

- 1.** Add Water: Begin by pouring water into the cup up to the desired level.
- 2.** Add Drinks: Next, add your beverage of choice (such as tea, coffee, or any drink mix).
- 3.** Activate the Power: Press the power switch gently to activate the device. The temperature will be displayed on the screen.
- 4.** Start Stirring: Press the power switch again to start the automatic stirring function. The device will begin to stir the drink for approximately 30 seconds.

- 1. Touch Switch:** Tap to set the display temperature. Tap the automatic stirring function to stir for 30 seconds.
- 2. Display:** Shows the current temperature and stirring countdown.
- 3. Stirring Cup Type-C Charging Port:** For charging the Bluetooth speaker.
- 4. Power Key:** Long-press to open/close the Bluetooth speaker's power supply.
- 5. Function Key (Next Song):** Press to skip to the next song. Long-press to increase the volume.
- 6. Function Key (Previous Song):** Press to go to the previous song. Long-press to decrease the volume.

7. Bluetooth Speaker Type-C Charging Port: Used for charging the Bluetooth speaker.

8. Indicator Lamp: Flashes blue when waiting for a Bluetooth connection. When connected, the blue light remains on. The red light turns on during charging and turns off once fully charged.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
