Input parameters for standard operation: 5V voltage, 2A current.

Safety Warning

1. Ensure that the chair is used with the correct voltage and current as specified in the product manual. Using incorrect parameters may result in damage or malfunction.

2. Children should not climb on the chair in any manner that could lead to injury. Always use the chair properly and safely.
3. The chair contains small components that could pose a choking hazard. Keep children away during assembly and ensure all parts are securely assembled.
4. Follow the assembly instructions carefully. Incorrect assembly may compromise the safety and functionality of the chair.
5. Always supervise children in the vicinity of the chair to ensure they do not interact with the product in a potentially unsafe manner.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
