Product Overview

The Porodo 7.1 Surround Gaming Headset is designed to provide an exceptional gaming experience with its powerful speaker driver and soft cushioned earpads, ensuring comfort for long sessions. Its seamless control feature allows users to easily adjust settings, while the noise-canceling microphone ensures clear communication during gameplay. With a 1.5-meter cable length, the headset is compatible with a wide range of devices, including laptops, PCs, and consoles, making it a versatile choice for gamers. The headset also includes a convenient mic design and plug-and-play functionality, along with RGB lighting to enhance the gaming atmosphere.

Specifications

Interface	USB-A
Driver Size	50mm
Impedance	15 \pm 230%
Mic Sensitivity	193dB
Cable Length	1.5m
Model Number	PDX417

Product Features

- 1. Surround Sound:** Experience exceptional audio quality with advanced 7.1 surround sound technology. Whether you're exploring vast game worlds or engaging in intense action sequences, enjoy immersive, high-definition sound that puts you at the heart of the action, enhancing both gameplay and cinematic experiences.
- 2. Soft Cushioned Earpads:** Designed with comfort in mind, the Porodo Gaming Headset features soft, breathable earpads that allow you to game for extended hours without discomfort. The cushioned earcups provide excellent noise isolation, ensuring you stay focused and immersed in the game, free from distractions.
- 3. Noise-Canceling Microphone:** Stay connected with crystal-clear voice communication thanks to the built-in noise-canceling microphone. It minimizes background noise, ensuring your voice comes through loud and clear for your teammates, even in loud environments. Perfect for in-game voice chat and streaming.
- 4. Convenient Mic Design:** The headset features a flexible and adjustable microphone design that can be easily positioned for optimal sound quality. Whether you're talking strategy with your team or streaming, you can count on clear, uninterrupted communication every time.
- 5. Plug & Play:** Get into your game instantly with the easy plug-and-play functionality. No complicated setup needed—just plug your headset into your device, and you're ready to go. Compatible with most gaming systems and devices, it's a hassle-free setup for players of all levels.
- 6. Seamless Control:** Take full control of your gaming audio experience with

the integrated, easy-to-use control buttons. Adjust the volume, mute the microphone, or switch between settings without interrupting your game. The seamless controls let you make quick adjustments on the fly, so you can stay focused on your game.

7. Compatible Devices: This gaming headset is compatible with a wide range of devices, including PCs, laptops, gaming consoles (PlayStation, Xbox), and mobile devices, ensuring you can enjoy high-quality sound and communication on almost any platform.

8. RGB Lighting: Enhance your gaming setup with dynamic RGB lighting that adds a stylish, customizable touch to your gaming experience. Sync the lighting effects to match your personal style and immerse yourself even further into the world of gaming.

Operation Guide

1. Headset Connection

To begin, insert the USB plug of the headset into the USB port of your audio source, such as a computer or gaming console. Ensure the connection is secure, with the USB fully inserted into the port, to avoid any connectivity issues.

2. Volume Adjustment

You can adjust the volume by rotating the volume control dial located on the earcup. To increase the volume, turn the dial clockwise (upwards). To decrease the volume, rotate it counterclockwise (downwards). This allows you to fine-tune the sound to your preference during gaming or listening.

3. Activate/Deactivate Virtual 7.1 Features

The headset is equipped with Virtual 7.1 Surround Sound. To toggle this feature, press the button labeled Virtual 7.1 on the wire control box. Pressing the button once activates the surround sound, providing an immersive audio experience. Pressing it again turns it off.

4. Activate/Deactivate Lights

Your headset features customizable lighting for a more dynamic gaming experience. To turn the lights on or off, press the button on the wire control box that controls the light settings. Pressing the button once will activate the lighting, while pressing it again will turn the lights off. You can adjust this based on your preference or environment.

5. Microphone Mute Function

For quick muting during gameplay or calls, simply flip the microphone upwards. This action automatically mutes the microphone, preventing any unwanted noise from being transmitted. When you're ready to speak again, flip the microphone back down to unmute it.

Safety Precautions

- 1. Avoid High Volume:** Listening at high volumes for extended periods can cause hearing damage. Always keep the volume at a safe level.
- 2. Proper Storage:** Store the headset in a dry place, away from direct sunlight and heat sources, to prevent damage to the materials and electronic components.
- 3. Avoid Excessive Pressure:** Do not apply excessive pressure on the headset, as it may cause damage to the speakers or other components.
- 4. Cable Care:** Handle the cable with care. Do not pull or twist it excessively, as this can damage the internal wiring or cause wear.
- 5. Cleaning Instructions:** Use a soft, dry cloth to clean the headset. Avoid using harsh chemicals, as they may damage the surface or internal components.
- 6. Keep Away from Liquids:** Do not expose the headset to moisture or liquids to avoid electrical damage.
- 7. Use in a Well-Ventilated Area:** Ensure the headset is used in a well-ventilated area to avoid overheating during long gaming sessions.
- 8. Disconnect When Not in Use:** When you're done using the headset, unplug it to avoid unnecessary wear and tear on the cable and connectors.

9. No Puncture: Avoid puncturing or damaging the ear cups, speakers, or any part of the headset, as this may lead to permanent damage.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
