Product Overview

The Powerology FlexiMount MagSafe Car Holder is a versatile and reliable accessory designed to securely hold your MagSafe-enabled device while driving. It features a strong magnetic hold with powerful N52 magnets, ensuring your phone stays in place even on the bumpiest roads. The holder offers a 360° rotating base, providing flexible rotation and an adjustable viewing angle for optimal convenience and ease of use. With its folding design, the FlexiMount is compact and easy to store when not in use. Its stable and secure grip allows for one-handed operation, making it both functional and user-friendly. Perfect for hands-free navigation and phone use while driving.

Specifications

Model	PWSKR05
Magnet Type	N52
Product Weight	115g
Product Size	58.52 x 18×96.91mm

Key Features

- 1. Strong Magnetic Hold:** Equipped with 20 powerful N52 magnets for a secure and stable grip on your MagSafe-enabled device.
- 2. 360° Rotating Base:** Provides flexible rotation, allowing you to adjust your device's position for the best viewing angle.
- 3. Folding Design:** Compact and space-saving, easy to fold and store when not in use.
- 4. Adjustable Viewing Angle:** Offers customizable positioning for hands-free navigation and optimal comfort.

- 5. Stable and Secure:** Ensures your phone remains steady even during bumpy rides.
- 6. One-Handed Operation:** Simple and easy to use, allowing you to mount or remove your phone with one hand.

Usage Instructions

1. Mount the Holder:

- 1.1** Choose a smooth, clean surface on your car's dashboard or windshield.
- 1.2** Peel off the protective film from the adhesive base.
- 1.3** Press the holder firmly onto the surface to secure it in place.

2. Attach Your Device:

- 2.1** Align the MagSafe-compatible device with the magnetic surface of the holder.
- 2.2** Let the magnets naturally guide and hold your device securely in place.

3. Adjust the Viewing Angle:

- 3.1** To change the angle of your device, gently rotate the 360° rotating base to find your preferred position.
- 3.2** The holder allows flexible adjustments for portrait or landscape orientations.

4. Folding the Holder:

When not in use, fold the holder's base to make it more compact for easy storage.

5. Removing the Device:

Gently pull your device off the magnetic surface. The holder's design allows for one-handed operation.

Safety Precautions

- 1.** Ensure the holder is firmly attached to a clean, smooth surface in your vehicle before use to prevent it from falling off during driving.

- 2.** Do not place the holder in areas that could obstruct your view of the road or interfere with airbag deployment, such as near the windshield or driver's side window.
- 3.** Only use MagSafe-compatible devices with the holder. Overloading or using unsupported devices may affect its stability.
- 4.** Avoid exposing the holder to excessive heat, such as direct sunlight on the dashboard, to prevent damage to the adhesive base and the magnetic components.
- 5.** Periodically check that the adhesive base is still securely attached to the surface. Reapply if necessary to ensure proper functionality.
- 6.** Be cautious when adjusting the holder or removing the device to prevent any damage to the holder, your phone, or the car's interior.
- 7.** Clean the holder with a dry, soft cloth. Avoid using abrasive materials or harsh chemicals that may damage the holder or its magnetic surface.
- 8.** When rotating the holder or adjusting the angle, use gentle pressure to prevent unnecessary wear or damage to the base and rotating mechanism.
- 9.** The Powerology FlexiMount MagSafe Car Holder contains small parts and powerful magnets. Keep it out of reach of children or pets to prevent potential choking hazards or misuse.
- 10.** Do not attempt to disassemble or modify the holder. The holder is designed for easy use and should not be tampered with, as this could damage the internal components or affect its functionality.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website powerology.me/warranty and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
