Product Overview

The Porodo MistCharge 2-in-1 Car Charger with Air Diffuser combines fast charging with a soothing scent experience for your car. Equipped with PD 45W and QC 30W fast charging technologies, it ensures that your devices are powered up quickly and efficiently. This car charger features a dual output, allowing you to charge multiple devices simultaneously, making it perfect for on-the-go convenience. Additionally, the built-in air diffuser comes with two scent pads—Cologne and Ocean—creating a refreshing atmosphere during your drives. With a total output of 75W, this charger offers universal compatibility for a wide range of devices, making it a versatile addition to any car.

USB-C Output	5V/3A, 9V/3A, 12V/3A, 15V/3A, 45W Max
Total Output	75W
Scent	Cologne, Ocean
Model Number	PDC40

Product Features

1. Dual Output: This car charger features two output ports, enabling you to charge two devices simultaneously. This feature is convenient for those who need to charge multiple devices while on the go, such as your phone and tablet, or any other compatible electronics.

- 2. Fast Charging (45W PD + 30W QC):** The charger supports 45W Power Delivery (PD) and 30W Quick Charge (QC), ensuring your devices are charged quickly and efficiently. PD is especially beneficial for devices like iPhones or newer smartphones that support faster charging speeds. QC is ideal for charging devices like Android smartphones, providing rapid power delivery to minimize downtime.
- 3. Universal Compatibility:** This charger is designed to work with a wide range of devices, including phones, tablets, and even laptops that support USB charging. Whether you use an iPhone, Android, or other USB-powered devices, you can rely on this charger to provide the right power.
- 4. Air Diffuser:** The built-in air diffuser offers a bonus: it purifies and freshens the air inside your car. It helps keep your vehicle smelling pleasant, whether you're driving long distances or just need a quick refresh. The diffuser works by releasing a light scent, making the in-car experience more enjoyable.
- 5. Scent Pads (Cologne & Ocean):** This product includes two scent pads, giving you the option to choose between a Cologne fragrance or a fresh Ocean scent. These pads are designed to fit into the charger, allowing the air diffuser to release the selected fragrance. It's a great way to add a personalized touch to your car's atmosphere.
- 6. Total Output (75W):** With a combined total output of 75W, this charger delivers enough power to charge your devices quickly, even when using both outputs simultaneously. This total wattage ensures that each device gets the proper amount of power without compromising charging speed.

Operation Instructions

- 1. Connecting the Charger:** Insert the Mist Charge 2-in-1 Car Charger into the car's cigarette lighter port. Ensure it is securely plugged in to provide a stable power connection for charging.
- 2. Charging Devices**
 - a.** Plug one end of your charging cable into the USB ports on the charger.
 - b.** Connect the other end of the cable to your device (smartphone, tablet, etc.).

c. Your device will begin charging immediately, with support for fast charging through the PD (45W) and QC (30W) protocols, depending on the device's compatibility.

3. Using the Car Air Freshener

a. Open the aroma tray on the charger.

b. Insert one of the included fragrance pads into the tray (choose from the Cologne or Ocean scents based on your preference).

c. Turn on the fan by activating the air diffuser feature. The fan will gently disperse the fragrance, filling your car with a fresh, pleasant scent.

d. Enjoy the clean, refreshing atmosphere in your car while keeping your devices charged.

Safety Precautions

1. Car Usage Only

This product is designed for use in vehicles with a voltage not exceeding 24V. Using it in other environments or with incompatible voltage could damage the product or pose a safety risk.

2. Avoid High Temperature and Humid Conditions

Do not use this product in extremely high-temperature or high-humidity environments, such as during intense heat waves or near water sources, as this may cause the device to malfunction or decrease its lifespan.

3. Handle with Care

Avoid strongly squeezing or mounting the product with excessive force. This could lead to damage, affecting both its functionality and safety. Always handle with caution to maintain optimal performance.

4. Keep Away from Flammable Materials

For safety, avoid placing the charger near flammable or volatile substances in the car, as they may pose a fire risk.

5. Do Not Disassemble

The product is not designed to be disassembled. Do not attempt to open or modify the unit in any way, as this could void the warranty and result in malfunction.

6. Proper Ventilation

Ensure that the charger and air diffuser are properly ventilated during use to prevent overheating. Avoid blocking the ventilation holes to ensure efficient airflow and cooling.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
