## Overview

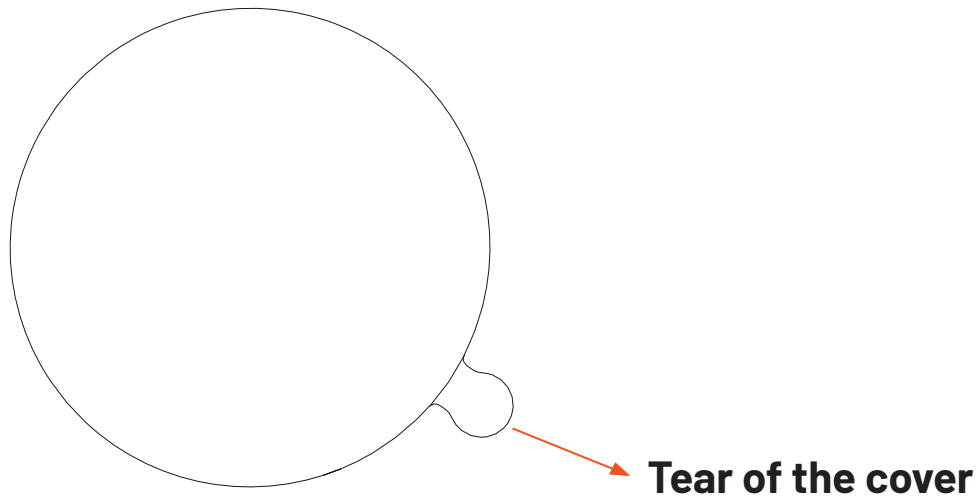

The Porodo Multi-Surface Vacuum Suction Mount offers a versatile and reliable solution for securing your devices with its powerful suction and strong magnetic hold. With its 360° rotating base, it allows for full-angle rotation and adjustable viewing angles for maximum convenience. Compact, foldable, and easy to carry, this mount is designed to keep your devices securely in place on any surface.

## Specifications

Compatibility	6.9 - 5.4" Devices
Material	Zinc Alloy, ABS, Silicone
Net Weight	92g
Product Size	37 x 60 x 130mm
Model Number	PDCCJ33

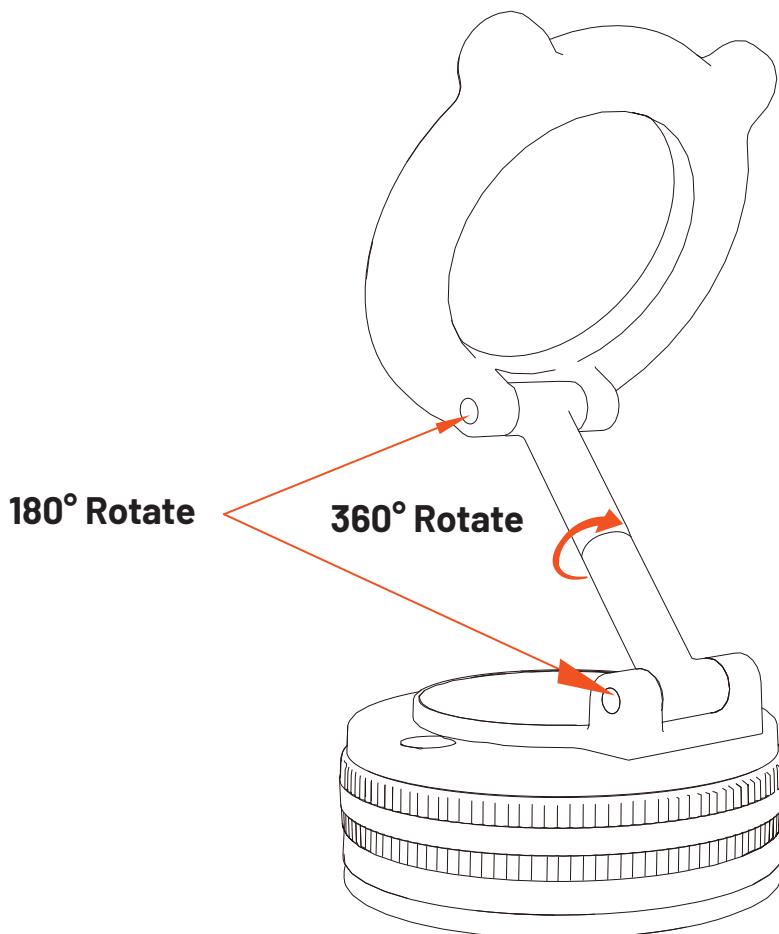

## Instructions for Use

**Step 1:** Remove the protective film from the suction cup before use.

**Step 2:**

- 1.** Apply light pressure to the suction cup and attach it to a smooth surface. Rotate the large striped cap clockwise to secure it. If the cap tightens, it indicates that the suction is locked.
- 2.** To unlock, twist the striped large rotating cap counterclockwise, pull and remove the suction cup from the surface. Slightly pull the hand to release the adhesive and detach.

## **Disposal**

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **[porodo.net/warranty](https://porodo.net/warranty)** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
