## Usage Instructions

### **1. Choose Your Mounting Surface:**

**1.1** The holder is designed for both dash and air vent mounting.

**1.2** Select the appropriate location in your car for optimal visibility and accessibility.

### **2. Mount the Holder:**

**2.1** For Dash Mounting: Attach the base to your dashboard, ensuring a secure and stable fit.

**2.2** For Air Vent Mounting: Use the air vent clip to attach the holder to your vehicle's air vent.

### **3. Adjust the Viewing Angle:**

Rotate the holder's arm to adjust the viewing angle, ensuring the best position for your phone.

### **4. Attach Your Phone:**

Simply place your phone against the magnetic surface of the holder. The strong magnetic hold will keep your phone securely in place.

## **5. Adjust as Needed:**

You can easily adjust the holder's angle or switch between dash and air vent mounting based on your preference.

## **Safety Precautions**

### **1. Keep Out of Reach of Children:**

Always ensure that children do not have access to the phone holder, as it contains small parts and may pose a choking hazard.

### **2. Secure Mounting:**

Ensure the phone holder is firmly attached to the desired surface before placing your phone on it to prevent accidental falls.

### **3. Avoid Obstruction:**

Do not mount the holder in a way that obstructs your view or interferes with the vehicle's controls for safe driving.

### **4. Check Stability Regularly:**

Periodically check that the holder is still securely mounted, especially after long periods of use or if driving over rough terrain.

### **5. Phone Compatibility:**

Ensure that your phone is compatible with the magnetic holder and that it is securely attached before driving.

### **6. Avoid Excessive Heat:**

Do not place the holder or phone in areas that could overheat, such as direct sunlight for extended periods, as excessive heat could damage your phone or the holder.

### **7. Clean the Surface:**

Before attaching the holder, clean the surface thoroughly to ensure maximum adhesion, especially if using the air vent clip.

### **8. Use Caution with Magnetic Fields:**

Keep the phone holder away from devices that are sensitive to magnetic fields, such as credit cards, ID cards, or medical devices like pacemakers.

### 9. Do Not Repair or Disassemble:

Do not attempt to repair, disassemble, or puncture the phone holder. If damaged, replace the holder to ensure safe use.

### 10. Drive Responsibly:

Always focus on driving. Adjust your phone holder only when the vehicle is stationary.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
