Product Overview

The Powerology Nexis 13-in-1 Multi-Display USB-C Hub and Laptop Stand is a compact, all-in-one solution for enhancing productivity. With 13 ports, including USB-A, USB-C, HDMI, DisplayPort, and Ethernet, it offers seamless connectivity for external devices and displays. Enjoy stunning 4K Ultra HD visuals and triple display support, along with 100W Power Delivery for fast charging. The built-in laptop stand provides ergonomic comfort and improved airflow, while a Kensington lock slot ensures security. SD/TF card support enables easy file transfers, making this hub perfect for professionals who need a reliable, multi-functional docking station.

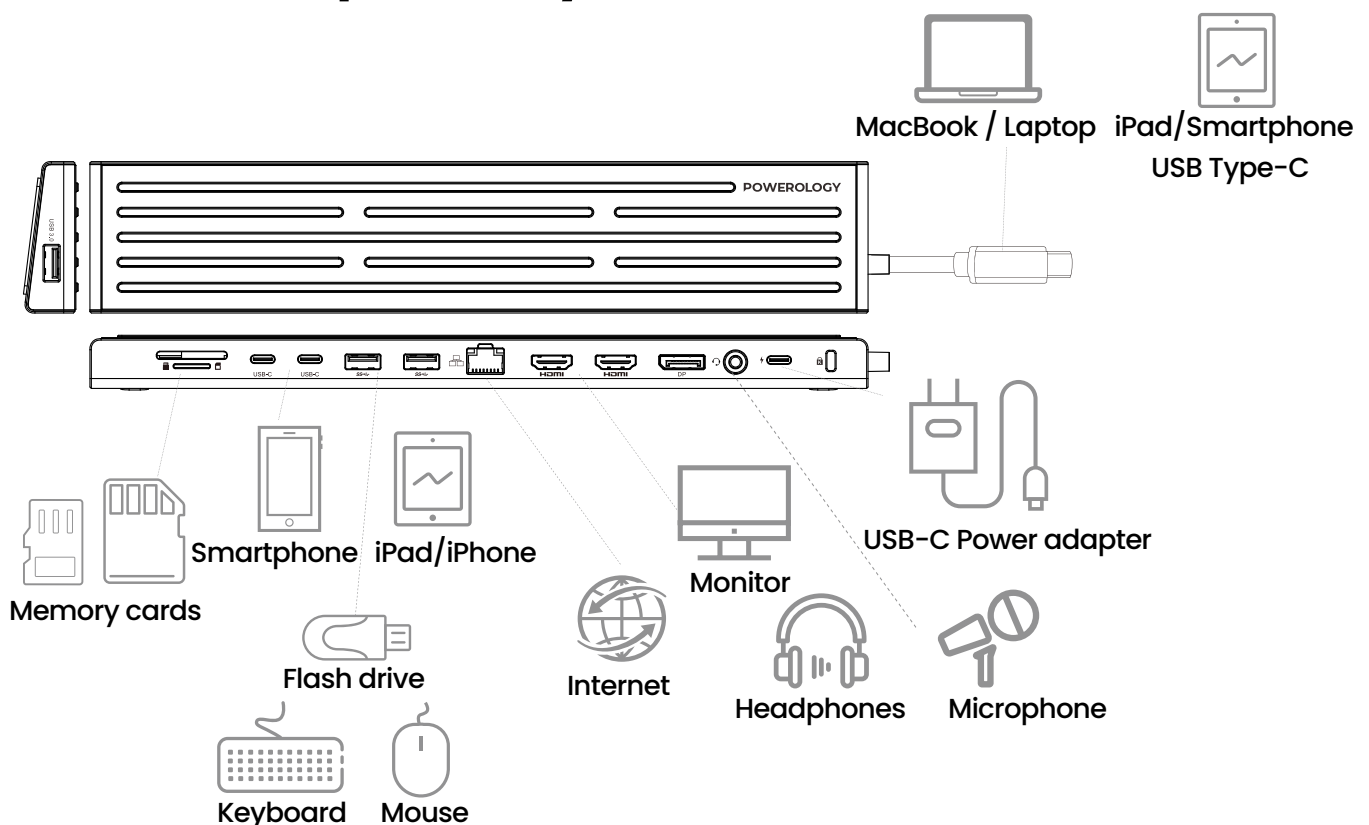

Specifications

Model Number	PWDC4DB
Input	USB-C PD 100W
USB-A Output	3x v5 3Gbps
USB-C Output	2x v5 3Gbps
HDMI	2x 4K UHD @60Hz
DP	4K UHD @60Hz
Memory Card	SD & TF Cards
Audio	3.5mm AUX Jack
Ethernet	RJ1000 45Mbps
Compatibility	Windows, Mac, iOS, Android
Material	Aluminum
Cable Length	18cm
Product Size	280x55x19mm

Safety Precautions

1. Do not disassemble or modify the product: Disassembling or altering the product may compromise its functionality or cause damage.
2. Avoid exposure to damp conditions: Keep the product away from environments with excessive moisture to prevent malfunction or potential damage.
3. Protect from heat sources: Do not place the product near heat sources, such as radiators, stoves, or direct sunlight, to prevent overheating or damage.
4. Keep away from water and liquids: Ensure that the product is not exposed to water or other liquids to avoid electrical hazards or internal damage.
5. Keep out of reach of children: This product contains small parts and may pose a risk if accessed by children. Always store it in a safe, secure location.

Device Compatibility

Schematic View

1. Kensington Lock

A security lock to prevent unauthorized removal of the device, ensuring physical security.

2. USB-C PD Port (100W Max)

A versatile port that supports Power Delivery (PD) for fast charging and data transfer. Capable of delivering up to 100W of power.

3. Audio Jack Port (3.5mm)

A standard audio port for connecting headphones, speakers, or other audio devices for high-quality sound output.

4. DisplayPort (DP) Port

Supports high-definition video output, allowing you to connect to monitors, projectors, or other displays with DisplayPort compatibility.

5. HDMI Port

A widely used video and audio interface, ideal for connecting the device to HDTVs, projectors, or external monitors for high-definition multimedia output.

6. RJ45 Ethernet Port

A network interface for wired internet connections, ensuring stable and high-speed network access.

7. USB-A Port

A traditional USB port for connecting various peripherals such as keyboards, mice, printers, or external storage devices.

8. USB-C Data Port

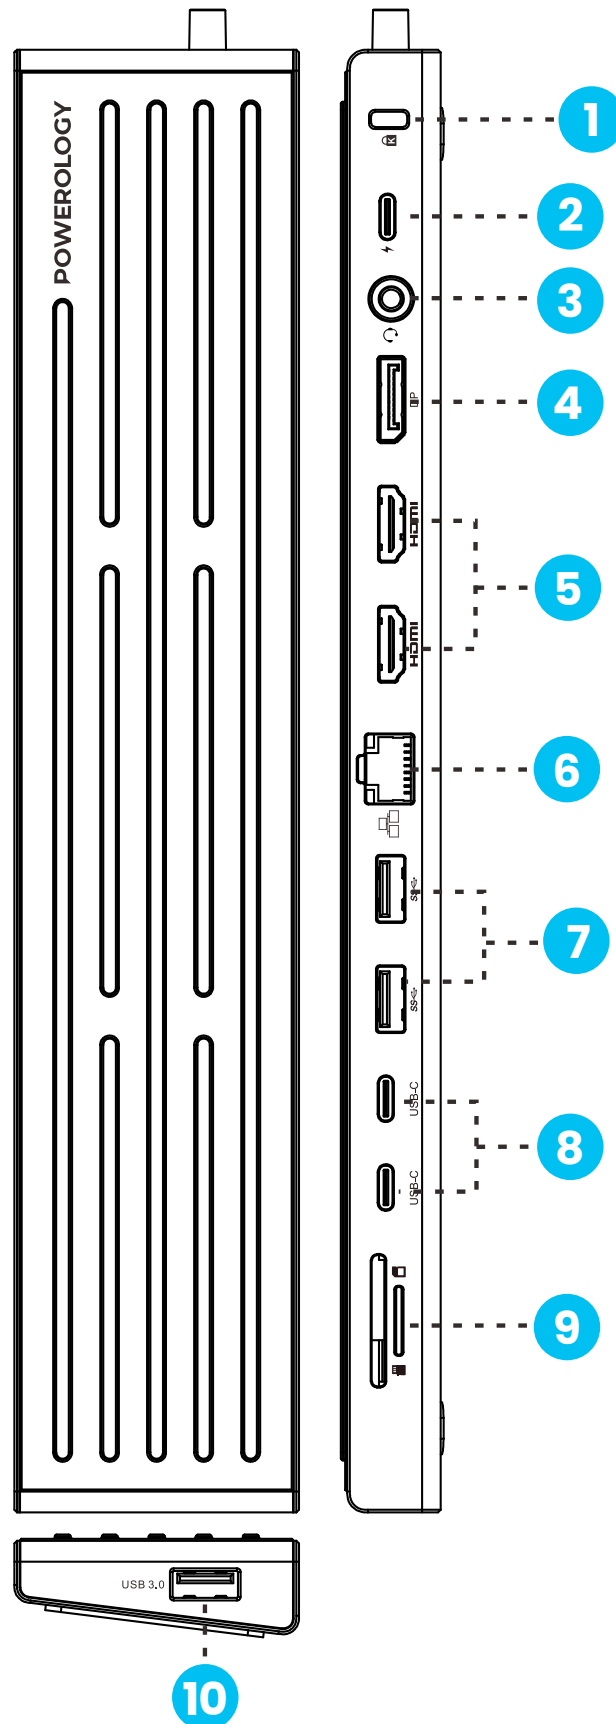

A USB-C port dedicated to data transfer, offering fast and efficient connectivity for modern devices.

9. SD/Micro-SD Card Slots

These slots allow you to insert SD or micro-SD cards for easy file storage, transfer, and access.

10. USB-A Port

Another USB-A port for additional peripheral connections, offering flexibility for various external devices.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website powerology.me/warranty and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
