Preface

Thank you for purchasing our product. Kindly read the instructions carefully and retain this manual for future reference. This product is available in three models.

PDFWCH023BK	USB-C Power Delivery WALL CHARGER	
PDFWCH023CBK	USB-C Power Delivery WALL CHARGER with 1.2m USB-C to USB-C Cable Included	
PDFWCH023LBK	USB-C Power Delivery WALL CHARGER with 1.2m USB-C to Lightning Cable Included	

Features

- 1.** The charger is built with high-quality, durable materials to ensure long-lasting performance and resilience under daily usage.
- 2.** The charger supports simultaneous charging of multiple devices, enabling efficient power distribution through its dual ports.
- 3.** The charger features Quick Charge 18W, providing faster charging speeds for compatible devices, reducing wait time for a full charge.
- 4.** With Power Delivery (PD) 20W, this charger delivers rapid, efficient charging to devices that support PD for a quicker power-up.
- 5.** Designed with a UK plug, the charger is compatible with UK electrical outlets, ensuring a secure and reliable connection.

Specifications

Rated Voltage	100-240V
Rated Frequency	50/60Hz
USB-C Output	5V/3A, 9V/2.22A, 12V/1.67A
Power Output	20W
Product Size	3.76 x 3.76 x 6.82mm
Model Number	PDFWCH023

Warnings

- 1.** Avoid exposing the charger to moisture or water. Never use it with wet hands or in damp environments to minimize the risk of electrical shock.
- 2.** Do not cover the charger or place it near heat sources to prevent overheating. Ensure adequate airflow and ventilation while it is in use.
- 3.** Refrain from plugging in more devices than the charger is rated to handle. Overloading can result in overheating or potential damage to the charger.
- 4.** Only use the charger with devices that match the specified output requirements. Using incompatible devices may cause malfunctions or damage.
- 5.** Never attempt to open, repair, or modify the charger. Unauthorized tampering will void the warranty and could lead to safety risks.
- 6.** It is advisable to use a surge protector or power strip to shield the charger

from power surges or voltage spikes, which may damage the device.

7. Avoid charging the device under direct sunlight or in high-temperature environments. Extreme heat can impact the performance of both the charger and the connected devices.

8. This charger is not designed for use by children. Keep it out of their reach to prevent accidents, burns, or electric shock.

9. Always ensure the charger is plugged into a well-grounded, appropriately rated wall socket. Avoid using it with extension cords unless absolutely necessary.

10. Always monitor the charger during operation. If you notice any unusual smells, smoke, or excessive heat, unplug it immediately for safety.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at [**https://www.porodo.net/warranty**](https://www.porodo.net/warranty) and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
