## Product Overview

The Green Lion Bridge 30 Power Bank is a high-capacity portable charging solution designed for multi-device compatibility, featuring a 30,000mAh battery with fast-charging capabilities. With its built-in safeguards, it ensures protection during use, while its digital battery indicator provides real-time information on the power levels. This power bank also features a two-way retractable cable for fast and convenient charging, making it an ideal option for on-the-go power needs. Supporting PD 100W high-speed output, it provides fast charging for laptops and other devices, while the 65W fast-recharge input allows for quick recharging of the power bank itself. The portable carry handle adds to the convenience, making it easy to take the Bridge 30 power bank anywhere.

## Specifications

Model No.	GL-PX94
Material	ABS + PC
Battery Capacity	30000mAh, 111Wh
USB-C / USB-C Cable Input	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A, PD 65W Max
USB-C / USB-C Cable Output	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/5A, PD 100W Max
USB-A Output	5V/3A, 9V/2A, 12V/1.5A, 10V/2.25A, QC 22.5W Max
USB-C + USB-C Cable Output	PD 35W + PD 65W
USB-A + USB-C Cable Output	QC 22.5W + PD 65W
USB-C + USB-A Output	5V/3A

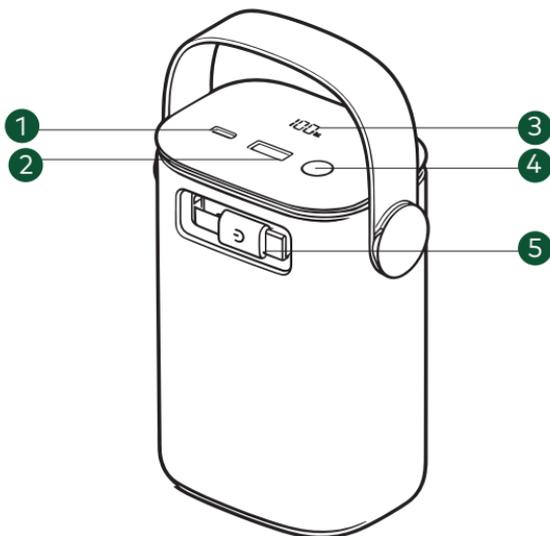

USB-A + USB-C + USB-C Cable Output	5V/3A + PD 65W
Cable Length	70 cm
Product Weight	592 g
Product Dimensions	52*80*112.60 mm

## Product Features

1. Sleek Appearance: Fresh color, lightweight, portable, and easy to carry.
2. Wide Compatibility: Compatible with most electronic devices, including mobile phones, tablets, digital cameras, and other digital devices.
3. High Performance: Supports 5V voltage, ensuring both device protection and fast charging.
4. Built-in Rechargeable Battery: Recyclable, environmentally friendly, energy-efficient, and practical.

2. USB Output
3. Digital Display
4. Power Button
5. Type-C Output Cable

## Package Contents

Mobile Power Bank x1

Charging Cable x1

## Safety Precautions

- 1.** Do not drop, hit, or shake the mobile power bank, as this may displace the internal structure of the lithium battery, leading to failure.
- 2.** Avoid prolonged exposure to sunlight or rain.
- 3.** Do not store or carry flammable liquids, gases, or explosives near the mobile power bank.
- 4.** Use an adapter that matches the parameters of the power bank.
- 5.** Keep the mobile power bank out of the reach of children to prevent accidents.
- 6.** Do not disassemble a damaged mobile power bank.
- 7.** Choose a smart mobile power protection system. Intelligent protection offers multiple advantages: over-current protection, short-circuit protection, over-discharge protection, regulator protection, and overcharge protection. This ensures safety during charging.
- 8.** If the mobile power bank is rarely used, it is recommended to charge it at least once per month. For optimal storage, keep the charge at a minimum of 50%.
- 9.** Do not submerge the mobile power bank in water.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:
